The Directors,  
Rotary Club of Invercargill Sunrise  
PO Box 171  
Invercargill 9840

It is with much pleasure that the Executive of The Invercargill Club nominate our Club Manager, Marianne Frisby for the Rotary Pride of Workmanship Award that celebrates excellence in the workplace and community.

Marianne commenced employment with the Invercargill Club in October 2003 as Bar Manager and the following year in July 2004 was appointed to the new combined role of both Club and Bar Manager.

Throughout her time with the Invercargill Club, Marianne has become synonymous with elegance, true hospitality and exemplary service. Not only is Marianne renowned for her culinary excellence (the best and freshest sandwiches in New Zealand to name but one) and comprehensive knowledge of wines, spirits and Single malts, she is unstinting and uncompromising in her hostess role being always steps ahead of the members in anticipating their needs.

We at the Invercargill Club truly owe Marianne a huge vote of thanks for her unstinting commitment to and efforts on behalf of the Invercargill Club in creating a haven of peace and refreshment and comradeship.

Marianne is also widely involved in the community and has just completed 21 years service as a weekly volunteer for the Citizens Advice Bureau in our city. She is also a volunteer with Meals on Wheels as a back up driver for many of the organizations that participate in this service.

It is with real confidence that the Invercargill Club nominate Marianne Frisby, for her excellent skills, commitment and example. All who know Marianne hold her in high regard and she would be truly a worthy recipient for the Rotary Pride in Workmanship Award.

Yours faithfully

John Pritchard  
President,  
Invercargill Club
